Grand Knight

Brother Knights All,

A new fraternal year is once again upon us. First I would like to thank Gordon Perry for all the hard work and guidance that he gave to the council this past year. With his effort we had a very eventful and wonderful year. I would like to continue in this forward motion for this year. I believe with the set of officers, we as a council voted into office we will continue in that forward motion. I also believe that with the help of all the knights we have within our council this will be accomplished ten fold. The main principles of our order are charity, unity, fraternity and patriotism. With these principles, we as knights can make this year and this council and our lives fruitful. I ask that all knights of this council to step forward in one form or another and utilize these principles. Stepping forward and using these principles starts with just putting one foot in front of the other. I hope to see and/or hear from each of my Brother Knights this year for your guidance and input to make this year a year to remember.

Vivat Jesus,

Thomas Smith, Jr. - Grand Knight

Entertainment and Dining Guides

The new Entertainment and Dining Guides will become available soon. We will be purchasing 80 books which gives us lowest cost per book opportunity at \$11.00. As soon as the books are delivered, I will be putting a notice in the bulletin but want to make all brother Knights aware that we will be selling these books for \$20 each and 2 for \$35. We had a good response to this last year. If we sell all 80 of our books our maximum profit will be \$720 and the minimum would be \$520. I expect the realistic figure to somewhere in between. We will need every venue opportunity we can get to get exposure. As much help we can get from our fellow Knights will be appreciated.

K of C Insurance –

JULY -WHY BUY LIFE INSURANCE?

Why should you buy life insurance anyway?

Because

...if your wife does become a widow, funds are created automatically. ..immediately. ..and at the least possible cost.

...only life insurance will provide a steady income. ..a guaranteed amount month after month.

...with a check coming in monthly, she can budget accordingly.

...life insurance gives her a precious freedom of choice:

..she can work if she wants to ...as a hobby. ..not as a necessity. ..she can live with her grown children if she pleases. ..as a welcome visitor.

..she can call on charitable agencies if she likes -to offer help. ..not to ask for help.

Life insurance is nothing less than an expression of your respect, your concern and your love of your wife and your family.

Call me today for an appointment. I want to hear from you.

Capital Towers

Our next capital towers visitation is on Saturday, August 7th starting at 9:00am. We are usually finished by 10:30am or so. We help the ladies out by turning mattresses, vacuuming the carpets, wash windows, hang pictures, and other small jobs that they can not do themselves.

We need more knights to come help us out so please let Bill Hast or myself know that your will be there. You can email or call us. Our info is on the last page of this newsletter. Thank you and God Bless You All.
